

**10 Year  
Ultraframe  
Guarantee**

## DO YOU WANT TO USE YOUR EXISTING CONSERVATORY **ALL YEAR ROUND?**

Now you can with the Award Winning Thermally Efficient  
**Living ROOF.**

It gives you all of the benefits of a solid roof,  
but adds lots more light,  
making it a room you can use all year round!

COMBINE SOLID AND GLAZED PANELS FOR **ULTIMATE FLEXIBILITY**

**Living ROOF**  
by ultraframe

The first roofing system to give you the flexibility to seamlessly combine solid and glazed roofing. LivingROOF can be formed into any shape and glazing panels can be inserted anywhere to help you maximise the use of natural light.
